**DR. STANLEY GOLDSTEIN - AUTHOR AND PSYCHOLOGIST**

**I have no interest in personally identifying visitors to this Web Site. Having said this, there is a program used, in order to measure the number of visitors, which does automatically collect such information as their IP (Internet Protocol) address, aspects of their computer (such as its Internet browser program, whether Windows or Mac), and the search term used to find this Web Site. This data is not marketed or exchanged or, indeed, used in any way. You will never receive a communication from me, based on your visit to this Web Site, unless you request it.**
